

NATIONAL PROFESSIONAL DEVELOPMENT

Name of Activity: Shared and Unique

Formation: Standing by seat (to start)

Equipment: Music (i.e. CD Player)

Round One - Shared

- Move around the room until the music stops
- Form a group of four or five, with at least 3 people you don't know
- Find out something everyone in the group has in common ground (don't use profession or appearance)

Round Two-Unique

- When the music starts move around the room until the music stops
- Form a new group of four or five, with at least 3 people you don't know
- Find out something about each person shares that makes them unique (don't use profession or appearance)
- Continue, as time allows, to grow the list.

Round Three- Shared or Unique

- When the music starts move around the room until the music stops
- Form a new group of four or five, with at least 3 people you don't know
- Decide if you will discuss shared or unique
