

Kevin Gogin & Ilsa Bertollini Article

Research shows that Lesbian, gay, bisexual, or transgender (LGBT) students, or students who are just beginning to identify as LGBT believe they can be happy adults when adults in their lives offer support and acceptance. The attached article, excerpted from the New York Times, September 2009, tells the story of middle school students who have come to an understanding of what their sexual orientation means.

The School Issue: Junior High

Coming Out in Middle School
